

billables.ai

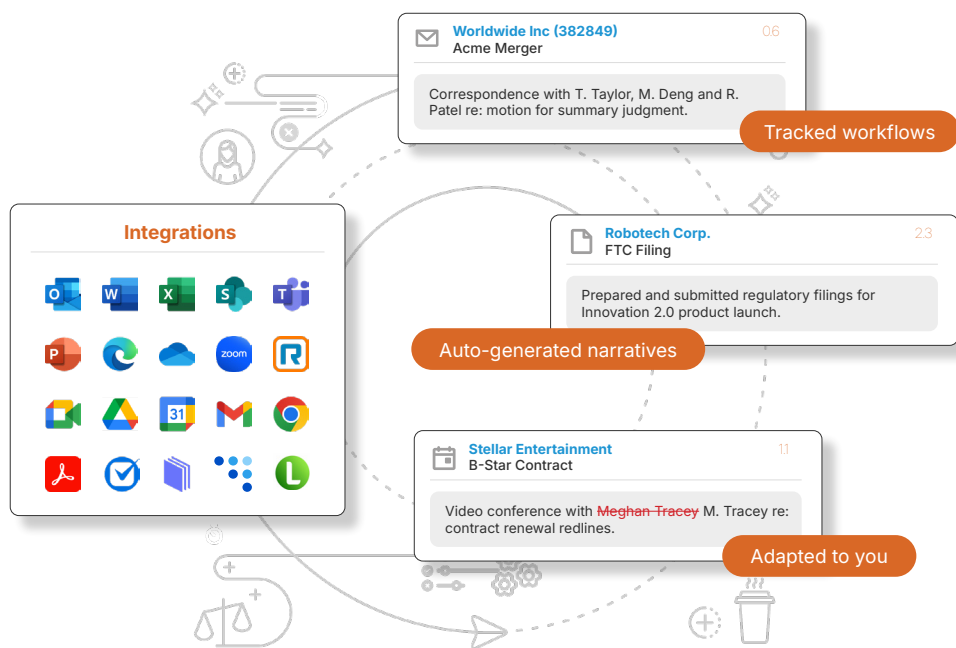

Let lawyers lawyer. Billables AI will handle the rest.

Our mission is to transform the way professional service providers work, freeing them up to focus on the most creative and intellectual parts of the business.

Our Product

Automated legal time-tracking, powered by AI.

Connect your work software and let Billables AI generate your billable timesheet. Our technology automatically detects relevant client matters, calculates precise durations based on active work time, and generates a personalized narrative description for every billing entry.

Our Security Practices

Data Access

Limited access with user opt-in, secure sign-on, and audited access logs.

Application Security

Data is encrypted in transit and at rest with strict network controls.

Data Privacy

No storage of privileged information. Customers retain full control of data.
